

# TIGER TALK

**North Steyne Surf Life Saving Club  
National Clean Beach Challenge winner - 2009  
SLSA Club of the Year - 2008  
Edition 21 / June 2010**

## **ANNUAL GENERAL MEETING SUNDAY 18<sup>TH</sup> JULY 2010 11AM IN THE CLUB HALL**

The Club's 103rd Annual General Meeting will be held on Sunday 18<sup>th</sup> July 2010 commencing at 11am in the Club hall. Nomination forms and meeting agenda will be forwarded to all members via email within the next week. They will also be available for downloading from the Club's website and printed copies will be available from the bar. Nominations need to be submitted to the Club by placing it in the box marked "AGM nominations" situated in the Club bar. Postal nominations need to be addressed to "AGM Ballot Referee, PO Box 310, Manly, 1655" – please mark the envelope "private and confidential". Nominations close on Sunday 11<sup>th</sup> July 2010 at 11am.

There are 11 positions on the Board – President, Vice President, Secretary, Treasurer, Chief Instructor, Captain, Youth, Competition, General Activities, Marketing. Chris Dooley was elected Junior Activity Director at the last Nippers Committee meeting. All of the above positions have Assistants except President.

If you would like to know more information regarding any of the Directorships, please contact Damian O'Shannassy or the Director that is currently holding that position.

## **BRANCH PRESENTATION FRIDAY 18<sup>TH</sup> JUNE 2010**

*Chris Dooley, Paul Mathew and Keith Abraham with their respective Branch Awards*

North Steyne was very well represented at the recent Branch Presentation night. We achieved some outstanding results and the whole Club should feel very proud of their successes. Special congratulations go to Paul Mathew and Keith Abraham who attained Branch Distinguished Service Awards and Chris Dooley who was awarded the Branch Outstanding Service Award.

North Steyne came equal second with Dee Why in the Patrol Assessment award with Paul Mathew picking up the money prize for the Club.

*Paul Mathew with the Patrol Assessment Award*

North Steyne senior march past team were awarded the Branch Handicap winners for the 2009/2010 season.

The main feature of the night was Shannon Job "MCing" the awards dinner (see photo and check out the gold tie!). Shannon was invited by Branch to undertake the job and he pulled it off with his usual aplomb. Being asked to MC the Branch Presentation night holds great significance and I am sure you will see a lot more of these invitations being thrown Shannon's way – he is a real find for our Club – not just for his Sydney Northern Beaches work, but for his training with our champion lifesavers (most medaled competitive Section in the 2009/2010 season), training award members and fulfilling his Captain position within the Club. Congratulations Shannon!

## DID YOU KNOW

### Congratulations to Michael Bernerius!

Michael Bernerius has recently been selected in The Australian U19 Rowing team and is off to the World Junior Rowing championships in Prague this August. The training has been gruelling and the trials were intense but all of Michael's training has paid off.

Michael is thrilled that his hard work has given him this fabulous opportunity but he does miss spending more time down at the club. He is looking forward to being at the Club more often after August and even more after his October HSC exams!

Michael's rowing team are having a fundraising dinner at the MCG on Sunday 27th June and if anyone would like to support Michael and his team please contact Michael for more details.

### A POSTCARD From Your Rowing Social Secretary.

A very "Happy Hello" to all North Steyne Members from your Social Secretary, Michelle Sas. I am currently roaming the Queensland beaches and enjoying the hospitality of Surf Clubs stretching from Coolangatta to Noosa; focused mainly on the Gold and Sunshine Coasts due to revived work opportunities in the Marine Industry. Thanks to Jessica Watson's monumental achievement and subsequent media coverage there is a surge of renewed interest in the boating business of yacht charters and learning to sail. So we temporarily swapped villages and I certainly hope Manly locals showed Jessica a big dose of warmth and hospitality as I have been overwhelmed by the friendliness of Queensland Coastal residents on a daily basis. Special mention and thanks must go to Mooloolaba, Alexandra Headland and Peregian Beach Surf Clubs. Too many Surf Clubs to mention have all been very pleasant and helpful and everyone seems to be well aware of our special piece of Manly paradise and our many outstanding Awards for Excellence at NSSLSC.

A 'business trip' north scheduled for a week in April has turned into a delightful sojourn along the Queensland Coast. Weather reports from home have not been too encouraging so booking the return flight kept being postponed and a myriad of excuses surfaced as to

why I needed to stay a week longer. Sanctuary Cove Boat Show evolved into a glamorous 'Assignment' at Marina Mirage that was both memorable and opulent!

I have attempted to be a notable Ambassador for North Steyne popping my head into as many Surf Clubs as possible and flashing the famous North Steyne cossies "between the Flags" - embarrassingly I needed to be 'rescued' (only once) directly outside Sheraton Mirage when I miscalculated the strength of the undertow.

Once again this year we will be holding the Black & Gold Dinner Dance at Balgowlah RSL and those of you who have attended previously need no reminder of how much fun the evening can be encouraging everyone to celebrate our unique Club and it's fantastic members!

Contact Michelle Sas via email to make early bookings - [Mischsas@hotmail.com](mailto:Mischsas@hotmail.com). Suggestions for other Social Activities are always welcome.

### City to Surf 2010

Training for City to Surf competitors (or for that matter - any member) is on Tuesday and Friday nights commencing from the surf club at 6. Running and walking training for all levels are available so come along and start your training or just come along to get yourself fit for the season ahead. All members welcome.

### Life Saving Training

Shannon Job is running life saving training for patrol captains and interested members and any person wishing to undertake the gold medallion. Shannon will be covering the physical side of life saving eg. board paddling, board rescue, running and tube rescue as well as tutoring members in the theory side eg. CPR, debif, spinal and scenarios. If you would like more information regarding these trainings, please contact Shannon.

## GENERAL ACTIVITIES ..... ACTIVITIES!
